

MINIWORKSHOP - 3 HOURS
pure theater
with OMAR GALVAN

TESTING LABORATORY

The Impro offers us fascinating tools, but sometimes these tools create habits that, when they become rigid, do not allow us to see further.

This workshop is intended for those who are curious to experience a different theatricality than what we usually bring on stage.

The Impro is pure theatre, it is also risk. If the contents we will deal with sound unknown to you, so much the better, you will be closer to novelty and modern theatre: Narraturgy (descriptive dramaturgy), autofiction (inventing from your own experience), distancing, post drama...
