

MINIWORKSHOP - 3 HOURS
tarantino
with PAULA GALIMBERTI

In this workshop we will work with the Tarantino style.

We will learn to improvise different atmospheres that are created in his films, absurd and fun dialogues of the craziest things that come to mind, how to kill and die on scene, and above all understand and investigate his style to be able to make it ours and have a tool more to improvise.

Come and “fucking” sign up.
